### **Stage Show, Featuring Tim Hall**

### **Or two person stage show featuring Tim Hall and his lovely partner, Susan**

**30-minutes to 1-hour of stand up comedy magical & mind reading entertainment/stage show. The stage show features Tim Hall – magician & mind reader. Tim's performances include clean comedy, sophisticated magic, mind reading, experiments in ESP, lots of fun, upbeat music and lots of audience participation.**

Here are just a few examples of the amazing feats that will be witnessed during Tim's performance:

- 1) Someone will write down his or her birthday (month and day only) on a piece of paper, Tim will never see the piece of paper yet he is able to decipher their exact birthday.
- 2) Tim will hand out a half dozen popular paperback books, a spectator will secretly turn to any page (Tim never sees the page number) in anyone of the books and yet Tim will reveal almost word for word the subject matter. This effect will bring gasps of amazement from the audience.

3) The audience will take a pretend vacation anywhere in the world. Tim will have three audience members randomly select the destination, the date of departure and the cost for the vacation. A sealed envelope will be opened to reveal three predictions that exactly match the audience member's random responses. Audience members will truly be amazed!!!

4) Here are some examples of Tim & Susan's two-person mind reading act. Susan will be completely blindfolded so she cannot see anything. Susan will reveal randomly selected playing cards and serial numbers on randomly selected dollar bills.

5) Through telekinesis, objects may move on stage with no means of any scientific explanations.

6) Someone will loan Tim a \$20 bill. The volunteer will sign the bill with his or her name via a magic marker; the bill will "accidentally" be destroyed in a personal paper shredder. No worries, the bill with the original signature, will reappear in the center of a fresh lemon.

Tim has amazed thousands of audiences all around the world with this unique and baffling effect.

This is Tim's signature effect and the audience will be talking about this effect long after the performance.

**Regardless of whether or not you are a believer in ESP & psychic mind experiments, there is no need to worry; your audience's deepest secrets will not be revealed in front of strangers. Nor will anyone be embarrassed.**

**Instead your audience is in for an evening of amazement, comedy, fun, imagination, laughter, and child-like wonder.**

**If an entertainer tells you he or she does not have a demo video/DVD, or it is in the works, or you can't trust a demo tape/DVD because anyone can look good with today's special effects and editing – This person is only trying to cover up the fact that they do not have a quality demo tape/DVD**
